Compared to last week: all weight class averages of both feeder steers and heifers ended fully \$3 to \$5 higher. Slaughter cows finished \$1.00 stronger while the slaughter bulls showed \$5 higher.

Buyer interest today was good with the demand strong on all the front-end feeder calves. Today's board closing showed all green as last Friday's cattle on feed report was considered neutral and not bruising to the markets.

Very active market on stocker cows. We had several young replacement heifers bring \$2.10 to \$2.50 per lb. Calf market appeared to be \$5-10 higher on the better end of the calves.
