Compared to last week: all weight classes of feeder steers and heifer price averages from 500 lbs and down ended fully \$6 to \$8 higher while those classes over 500 lbs remained firm to \$2 higher. Slaughter cows today on the lower yielding finished \$3 weaker but those higher yielding ended steady. Slaughter bulls dropped off around \$4 as more slaughter animals are beginning to make their presence in the markets.

Today's board closing showed little enthusiasm although buyer aggression here today was strong with interest on most all weight classes.
