Feeder Calf Order Buyers.....20

Compared to last week: feeder steers and heifers price averages from 300 lbs and down ended mostly steady while those weight classes over 300 lbs ended from \$2 to \$4 higher. Slaughter cows ended \$4 lower with the slaughter bulls showing around \$2 weaker.

Some optimism has appeared both in the commodity markets and in feeder calf purchasing as a stronger market appeared today supported by 20 calf buyers. Both the live and feeder board closed up fueling more interest in acquiring inventory. It still appears too early to classify the depth of this market.
