Compared to last week: all weight class average prices ended from \$3 to \$5 higher on the front-end classes while the plainer end still continues under pressure. Slaughter cows ended around \$4 higher while the slaughter bulls finished \$1 stronger.

The board showed strength today as the stronger market figures were supported by 22 calf buyers. Market analysts continue to monitor the drought conditions in the Western grazing areas as moisture is becoming critical in order to plant winter grazing.

Very active calf market today as we had a few new buyers show up for the preconditioned calf sale. The 400 - 600 lbs steers had a lot of activity. Heavy bull calves are starting to show some downward pressure due to health risks at cutting 600+ lb calves.
