The I Dare You Leadership Award was first offered in 1941 by William H. Danforth. Mr. Danforth was a successful businessman who dared young people to achieve their highest potential and to influence others through lives of leadership and service. The I Dare You Leadership Award recognizes those who, with a little encouragement, are ready to see themselves as leaders—young adults who are ready to take the dare.
The program is for 4-H participants who are 4-H seniors and have demonstrated personal integrity, lead well-rounded lives and possess a willingness to assume responsibility. They do not need to hold leadership positions currently but should be recognized by their peers and adults who work with them as emerging leaders.
The award consists of two elements:
A personalized award certificate
A copy of "I Dare You"
