## Welcome to NEW 4-H Agent:

The Texas A&M AgriLife Extension Service has named Sherri "Jaye" Chasteen as the new 4-H youth development agent for Tom Green County effective Feb. 8. The announcement was made by Tom Green County Judge Steve Floyd and Marty Gibbs, AgriLife Extension administrator headquartered in San Angelo.

"We are very pleased with this appointment," Gibbs said. "Jaye is a delightful young person who has already garnered a strong reputation in this key county where she has worked as the Tom Green County 4-H program assistant since 2014. That experience coupled with her animal care background and strong 4-H club involvement while growing up and currently, make her the ideal person for this particular job within our agency." Chasteen earned bachelor's and master's degrees from Angelo State University in animal science. During her assistantship she was responsible for providing agriculture programming to local elementary schools, coaching the county's 4-H life and meat judging teams, and assisting AgriLife Extension agents with livestock validation and local livestock shows. Her previous job experience includes working as a veterinary assistant in San Angelo and in Burnet county, and as a lab technician in San Angelo and kennel technician in Florence.

Chasteen said she has a true passion for AgriLife Extension's 4-H program. "I grew up in the Williamson and Burnet county 4-H programs," she said. "I started in third grade and participated in judging competitions, livestock shows, held various officer positions in my local club and assisted with show clinics in Burnet County. "I believe my experience has prepared me to extend my career in AgriLife through the

4-H agent position and I am excited to see what opportunities it will bring."

Chasteen has worked with the San Angelo Stock Show and Rodeo, Rodeo Austin, Block and Bridle Club as vice-president at Angelo State University, and been a member of the university's wool judging team. Chasteen fills the position formerly held by Courtney Redman who recently transferred to the county's family and consumer sciences post.

Jaye wants all the Tom Green 4-H members to know how excited she is to serve such a supportive county, and looks forward to new opportunities to strengthen this amazing county program.

## #4HFashionStoryboard2016

Social media has become a stage to not only set fashion trends, but to launch designers. Social media outlets such as, Facebook, Pinterest, Twitter, and YouTube are easily accessible, and conversational in nature. Fashion trends are created through social media, the trend is not “imposed” on the audience, but instead, it is made available for the audience, and the audience will have the freedom to adopt it or grasp onto part of it.

Create your own design and create a storyboard that will help it go viral.

More info and guidelines can be found at:

<http://fcs.tamu.edu/clothing/4h/packet/fashion-storyboard-resources/>

Awards will be presented to the 1<sup>st</sup> - 6<sup>th</sup> places in each category. Winners in each category will be eligible to go to the State Roundup in June. 4-Hers can also participate in the Texas Natural Fiber Competitions.

If you are interested in participating in either Fashion or Storyboard contests, & need more information or forms, contact Courtney Redman at the Extension office.

## RECORDBOOK Trainings

Now is the time of the year to be thinking and working toward completion of your 4-H Record book. Record keeping is going to be an important part of your life. You will keep records in high school, at work, in college, and even if you own your own business or work for someone else. Now is the time to learn how to keep good records. The most important thing about 4-H record keeping is to find a way that you are comfortable with to collect information. 4-H wouldn’t be the same without records. They’re an important part of completing each project. They help you set some goals, keep track of your attendance at 4-H meetings and functions, record your demonstrations and talks, and a whole lot more.

Record book forms are available with an online version where you can keep track of entries and different levels of needed information for each age division. Deadline entries will be due in mid-June. Watch for date announcement.

For those clubs who might be interested in knowing the correct and finite details on completing a book, especially with the new format, Jaye can provide a club program at individual meetings if you will just let her know of your club’s interest. Please call to schedule a time to come.

If you have any questions or need further info or samples, look for the Recordkeeping link on the Texas 4-H site ([http://texas4-h.tamu.edu/youth\\_recordbooks/](http://texas4-h.tamu.edu/youth_recordbooks/)) or please feel free to contact Jaye Chasteen for information on completing a recordbook.

## 4-H Fundraiser Opportunity

We have been given the opportunity to raise money for our county 4-H fund at the Shamrock Shuffle. Our county 4-H budget (which pays numerous things including, but not limited to, the 4-H banquet & awards, credit reimbursements for camps, supplies, and much more) could have an estimated \$2000 short fall at the end of the year based on completed fund raising.

We are planning on having a silent auction that will take place at the annual Shamrock Shuffle to be held on May 14<sup>th</sup>, and we are asking that each club come up with 2 items for the auction (estimated value of \$50 each); of course if your group comes up with more than 2 items, that is great! Some ideas that have been thrown out are things like: nice jewelry, handmade boots, furniture, handmade items, etc.... Our hope is that this auction will not only cover the short fall, but maybe provide enough funding to cover new costs (ie. better awards, volunteer background screening, etc...)

If we can't cover the short fall, then we must look at cutting some expenses, which we really do not want to do....If you have any questions or ideas, please let me know. This is a great opportunity to raise some funds, and add something special to the Shamrock Shuffle. As always, THANK YOU SO MUCH FOR YOUR HELP!
