COVID-19 Screening Addendum to Facilities Use Agreement

Due to the COVID-19 pandemic, and in an attempt to minimize the spread of the virus, Texas A&M AgriLife ("AgriLife") is required to screen all participants and visitors who are participating in an event held on any AgriLife property or facilities. Occupancy limits will be based on current AgriLife guidance. In order to be granted access to events, all visitors must truthfully complete and submit the following:

I, _____, hereby certify that:

1. While at the event I will maintain a minimum of 6 feet of separation from any other individuals not within my household.
2. I have not in the past 7 days exhibited any of the known symptoms of COVID-19, including:

Cough	Headache
Shortness of breath or difficulty breathing	Sore throat
Chills	Loss of taste or smell
Repeated shaking with chills	Diarrhea
Unexpected muscle pain	Running a fever (temperature of 100.0 Fahrenheit or more

3. In the past 14 days I have not been in contact with any person known to have contracted COVID-19.

I understand it is required that I wear a cloth face covering (over the nose and mouth), or non-medical grade face masks. For outdoor gatherings, if social distance cannot be maintained, then a face mask will be worn. I also understand that it is recommended that I follow the minimum standard health protocols issued by the Texas Department of State Health Services and cited by the Texas Governor in his Executive Orders related to the pandemic.

I understand that the virus that causes COVID-19 can be spread to others by infected persons who have few or no symptoms. Even if an infected person is only mildly ill, the people they spread it to may become seriously ill or even die, especially if that person is 65 or older with pre-existing health conditions that place them at higher risk. Because of the hidden nature of this threat, everyone should rigorously follow the practices specified in the DSHS protocols, all of which facilitate a safe and measured reopening of Texas. The virus that causes COVID-19 is still circulating in our communities. We should continue to observe practices that protect everyone, including those who are most vulnerable.

I understand that AgriLife cannot guarantee that I will not contract the virus, even when implementing screening protocols. I further understand that safety is a shared duty, COVID-19 is a shared risk, and all community members, including visitors, must take steps to promote health and safety. I acknowledge that I am assuming the risk that I may contract the virus by entering facilities, even when screening protocols and mitigation measures are implemented. In addition, temperatures may be checked and monitored as part of this agreement.

I understand that AgriLife is required to have this attestation for me to attend events and I sign below to confirm the truth of the above.

_____ _____
Printed Name of Participant Date

_____ _____
Street Address, City, State, Zip Code Cell Phone Number

_____ _____
Signature (or legal guardian if minor) Email
