

# Samantha's Bushel to Barnyard Ag Report

June/July 2017

## Carnivore Management Program

This event was originally scheduled for April, but has been rescheduled! I hope y'all will still come and learn from these amazing speakers! I know I am personally very excited for this program!

Mike Bodenchuk (USDA Wildlife Services) and Dr. John Tomeček (Texas A&M AgriLife Extension) will discuss options and techniques to reduce damage by carnivorous predators including coyotes, foxes, bobcats, and mountain lions.

—\$20, great information, dinner and 2 CEUs available. Register by June 20th and you'll receive a bonus door prize ticket!

## July Lunch & Learn— Quail for All

Join Dr. Maureen Frank (Texas A&M AgriLife Extension Service), Amanda Gobeli (Texas A&M Natural Resources Institute) and myself as we learn about "All Things Quail". This program is at the library and will be geared for all ages, perfect for summer! Lunch is included.

\$5 for an adult + 1 child

\$3 for each additional child

(children under 3 are free)

## Private Pesticide Applicator's Training:

### Update

---

I had several individuals attend this class, good luck to them as they move forward with this process!

---

I will be offering another class in the later part of the summer; so keep your eyes open for more information to come!

## Calendar of Upcoming Events

### Carnivore Management Program

Thursday, June 22nd, 6 pm

District Office, Garner Field Road

RSVP by June 20th

### July Lunch & Learn

Friday, July 7th, 11am

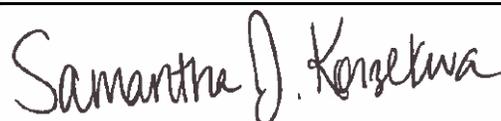

El Progreso Memorial Library

## School's Out for Summer!

If we were only all back in school and truly "out" for summer... we can wish, right? But the kiddos are out and I need help. I would love some fun (real life) activities/sights for youth to take part in and help expose them to the millions of opportunities in our county. If you will be harvesting, working livestock, really anything agriculturally related; and you think kids might be interested, let me know! I promise I won't show up with a bunch of kids unexpectedly. SO please send your ideas or comments my way!

Also, I promise I have not forgotten about CEU's and helping y'all get the hours needed; any ideas on programs are much appreciated as well! Turns out I know a lot of cool people and I can also cook some great food for our program. Let me know what y'all want to learn and we'll go from there!

And as always if there is anything I can do for you please just call. I am here for you, Uvalde County.
