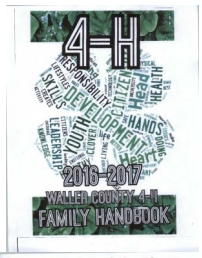
September 2016

TEXAS A&M AGRILIFE EXTENTSION

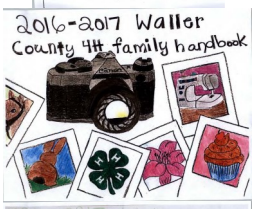
Waller County 4-H

4-H Handbook Winner



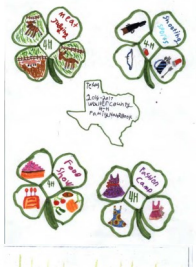
Andrea Thomas , age 13 from the Field Store Community 4-H Club can celebrate with lots of fun since she won the First Place monetary award of $70.

Judges like the pleasing graphic that encompasses the many values that 4-H has to offer youth to enhance their lives in becoming worthy and outstanding citizens. Words such as Family, Knowledge , Skills, Responsibility, Leadership and others just popped out with invitation for youth to get involved and experience growth with the Waller County 4-H program. Great job Andrea!

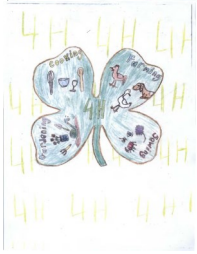


You can bet that Molly Paliwoda, age 14 of Town & Country 4-H will be super excited to receive the Second Place $50 monetary award. Molly produced a clever way to capture the involvement of various 4-H projects . Nicely done illustration that promotes there is much to be discovered in 4-H with fun to offer.

Sister, Kori Paliwoda, age 10, and also of Town & Country 4-H will be surprised to take Third place $30 monetary award. Kori's submission illustrated the animal project side of 4-H in a view with an interesting, dimensional affect. You Rock, Paliwoda Girls!



Participation awards go to Cecilla Haddox, age 11 of Brazos Valley 4-H and Jocelyn Edwards, age 13 of Field Store 4-H Club for their competitive illustrations. You earned a lot of design experience and you got creativity conquered. Look forward to next year's submissions.



Anyone interested in submitting illustrations for next year's contest , please see the rules at the end of the handbook.

Special thanks to all for such awesome thinking and inspiring productivity. 4-H brings out the best in you!

Artwork on left hand side from Top to Bottom: Andrea Thomas, Molly Paliwoda, Kori Paliwoda, Cecilla Haddox, and Jocelyn Edwards.

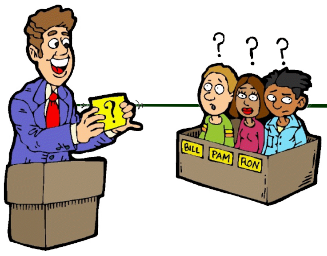
Make sure to check out all the attached Fliers!

If you are interested in any of the events, please contact the office & talk to an agent.

Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

Farewell from Hallie Decker, FCS Agent

It has been a great pleasure to work with 4-H in Waller County over the past nine months. I have grown as a person and share memories with many of your kids. Although I am sad to leave, I have accepted a position at Georgetown High School to teach Family & Consumer Sciences, in addition to coaching cheerleading. This opportunity will bring me closer to my family and will be a great opportunity to change the lives of students throughout my field. Unfortunately, I left quicker than I would like. With school quickly approaching, my last day in Waller County was Tuesday, August 9th. It has been a pleasure working for Texas A&M AgriLife Extension and working with the 4-H'ers in Waller County. I will miss everyone and am leaving with nothing but good things to say. Thank you for this opportunity and for your support!



Horse Quiz Bowl– New Team Forming

Quiz bowl is an opportunity to demonstrate all of the information that you have gained through the past year through this project. This is a contest that will help your student learn more about his or her project while getting the opportunity to compete on a state level. It is a team event where you compete against another team and whoever buzzes in first, gets to answer the question. Held at 4-H Roundup each year, competitors must qualify through their district in order to compete at this event. Questions please contact: Cari McFarlane @ Cari@MstarRanch.com.

For more information please see the Flier in the back of the newsletter!

2016-2017 Waller Co. Ambassadors

For a very long time 4-H professionals have recognized that capable, older 4-H members are the program's best spokespersons. Nothing sells the 4-H program better than 4-H members doing excellent 4-H work where the public and key people can see, hear and examine what 4-H'ers are doing. The 4-H Ambassador Program formalizes this process. We are happy to announce this years 4-H Ambassadors! *Pictured L -R: Charlie Anderson, Sam Franklin, John Philip Jones, Joe Franklin, Brianna Luce, Cate Franklin, and Taylor Lucas*

WALLER COUNTY 4-H AWARDS BANQUET AND DANCE

Where: Field Store Community Center, 26098 FM 362 Waller, TX

Time: 7pm until 10 pm

Date: Friday, September 23, 2016

R.S.V.P. by September 16, 2016 at 4pm

See flier in back for more information

WCF Eligibility Form

Make sure you have your Waller County Fair Eligibility Forms signed! <u>You will need the Club mangers, Extension Agents, and Principle signatures</u>. Please have these signed prior to the Fair, the Agents will be in and out of the office during the WCF. If you wait until fair you will have to come to the office first and have it stamped that you are 4-H member and then find an agent at the Fairgrounds. **Eligibility Form in in the back of the newsletter.**

The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

2nd place National WHEP Team

The 2016 4-H National Wildlife Habitat Education Program (WHEP) contest was held on July 26th in West Virginia. Three Waller County 4-H youth along with their coach, Mr. Harvey Laas attend this contest. The team placed 2nd overall with Eulalia Haddox, John Philip Jones was 4th high individual, and Travis Younts who was 1st high individual. Congratulations to all of these youth and to their coach.

Next ALPA/ County Council meeting

September 19, 2016 @ 7pm

Re-enrollment for 2016-2017

The new 4-H year will begin September 1, 2016, with enrollment starting about August 15, 2016 on 4-H Connect. We will send out an email reminder to everyone to make sure the are enrolled in 4-H went it opens.

⇒ If you plan on showing under 4-H at the Waller County Fair or other Major shows, you will need to be enrolled in 4-H for the 2016-2017 year.

⇒ Like always there will be an early bird registration, during this time the enrollment will be less, after the set time it will go to regular price.

⇒ You may enroll in multiple clubs, especially if you are new and still looking for the prefect club for you! You will just have to select one as your primary club, this can be changed at anytime during the year.

⇒ Make sure to update your family profile with current information, can be updated at anything during the year.

⇒ Multiple emails may be on your family profile, this is a great idea to help ensure you receive all the information we send out.

4-H Paper Clover's

Twice a year Tractor Supply Company does a “Paper Clover” drive to help raise money for the 4-H Foundation. They do one in the fall and one in the spring, the fall one is just around the corner (October 5-16, 2016). All the money that is raised goes to 4-H and part of the funds will stay here in the county! We have one store located in Waller County: 31360 FM 2920 Rd., Waller, TX 77484.

Your 4-H club can set up a table with 4-H promotional items, activities that your club does, or highlight club/county achievements and multiple clubs can be there at once. There is no schedule or time frame as to how long your club needs to be present. If you need help let us know and we will help you get information. I have already talked to the TSC in Waller and they are more than happy and excited to have 4-Her’s come out on the weekend or during then week and help to promote 4-H and sell the Paper Clovers they are $1 each. All you will need to do is when you arrive ask for the store manager (Todd) or assistant manager (Jennifer) and let them know you are there to help and they will show you were they would like you to set up. Then all I ask is that you let us know that you did go out there to help. Thank you for your support of 4-H!

Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

State Record Book Winners

We had two 4-Her's from Waller County make it to the Record book judging. Avery Carpenter placed 8th in the Agriculture category. Joseph Franklin placed 5th in the Shooting Sports category. Congratulations to these to 4-Her's. Way to go!

District 9 4-H Council Meeting & Training

September 17, 2016 at Lone Star Convention Center, 9055 Airport Road, Conroe, TX 77803. The 4-H Council Meeting will begin at 9:30 a.m. with a General Session and conclude by 3:00 p.m.

The **registration fee** for this District 4-H Council Meeting and Training is **$10/person** and includes snacks, refreshments and lunch. The registration fee will be collected upon arrival at the door.

Club News: Brazos Valley 4-H Project Club by: Taylor Frank, 2nd Vice President

Elections were held at our monthly business meeting, had team building activities and refreshments. We had a school supply drive for the House of Help in Hempstead and collected 112 items! Looking forward to a great 4-H year.

The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

Quality Counts

Reminder that if you plan on exhibiting market and/or breeding livestock at any major shows you must complete the Quality Counts verification. Also, remember if you are moving to a senior level (14-18 years old) and have previously taken the junior test you must take new age appropriate . If you need more information about the process please call the Extension office as soon as possible, and you can learn more by visiting: http://qualitycounts.tamu.edu. Make sure to keep the number available when register for majors shows. *If you know you have taken it we can look it up for you!*

Adult Volunteers

We are always in need of adult volunteers to mentor 4-H youth, lead local clubs, run events or even chaperone events. You will need to be 18 years old — 21 years old to chaperone overnight trips and pass a criminal background check. It only costs $5 and you are set for the whole year (4-H year), and this way if the need arises you are already an approved adult volunteer for that activities, and your assistance is greatly appreciated.

Brazos Valley 4-H Project Club

by Charlie Anderson Brazos Valley 4H Project Club President 2016

The Brazos Valley 4-H Project Club is a very well rounded and diverse group of 4-H members. The club is centered on all project areas in 4-H. Educational, Cattle, Consumer Sciences, Horse, Wildlife, Poultry, Swine, Meat Judging, Poultry Judging and Livestock Judging are just a few that are represented in the club. Many kids show at the Waller County Fair in the market show while others show items in creative living at the Fair. The club is also a power house with cattle projects at majors. This year Brazos Valley 4-H Project Club was very successful at Houston Livestock Show and Rodeo in 2016, but our kids do not stop there. They go to San Antonio, Ft Worth, Jackpot shows and the Southern Classic with their cattle projects. This club brings in awards and teams from all over Texas. At 4-H District and State competitions we have several kids that participated and that have been very successful. We even have several successful Houston Scramblers in this club.

If you're looking for a multipurpose club that will do anything in 4-H you might want to consider visiting Brazos Valley 4-H Club. If you're looking to be in the winner's circle, come by and exchange information and learn all about 4-H. Meetings are filled with projects and community service. The annual 4-h BBQ is always on the list of working projects year round, the club managers ensure that all participate and learn at this great event. Kids build wonderful projects and these are often sold at the BBQ Auction. If you are interested in leadership camps, well we have experience there as well. A large group always goes to District 4h leadership lab. Additionally, we have sent kids to 4-H Congress and 4-H Leadership Institute. If you're interested in hands on project club that welcomes all new members and project areas, then this is the club for your family. The club meets on the second Tuesday of each month at the Barbra Carpenter Building located at the Waller fairgrounds except summer months and fair time. Please visit and come meet this group of 4-H kids that participate in every project area possible.

Horse Club

The Waller County 4H Horse Club was created to promote horse related activities to the youth of Waller County. Our club participates in numerous activities each year including: Annual Club Ranch Sorting/ Team Penning Fundraiser, Texas A&M Horsemanship Clinic, Horse Judging, and Waller County Fair Parade. The club usually meets every 2nd Tuesday of the month at the Fieldstore Community Center.

Fieldstore 4-H Club, Kountry Kids, Outsider 4-H Club, Rainbow 4-H Club, and Town & Country Project Club

Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

Rock Island

Rock Island 4-H Club is co-managed by Rachel Lopez and Michelle Mitchell. Rock Island 4-H hosts the Watermelon Festival Fun Run the morning of the Hempstead Watermelon Festival. The club does a community service project by serving snow cones at the Watermelon Run For The Fallen. The club also is in charge of hosting the Little Miss and Little Mister Contest for the Waller County Fair. At the end of the year the club visits the Brenham State School and takes gifts to the residents along with Santa in tow. The club meets on the first Tuesday of each month at 6:30pm at the Extension Office for our monthly meetings.

Waller Christian Academy

Waller Christian Academy has officially formed a Waller County 4-H club. The club is open to students at WCA in kindergarten (clover kids) and above. We are excited about the opportunities that this will provide for our students in the area of community leadership. WCA will host its monthly meetings every 3rd Monday of the month starting at 5:30pm at the school. Be on the lookout for upcoming information on our first meeting. 4-H: Making the best better!

Rosehill Christian Club

Rosehill Christian Club is an amazing club that meets the needs of its RCS students within the 4-H programs. Our club meets once a month, but we offer workshops at least once a week. The focus of these workshops has something for everyone and is developed based on our student interest in the various different 4-H projects. We offer programs in food and nutrition (Cooking Club), Shooting Sports (Archery Club), Photography, Clothing and Textiles (Art Club and Craft Club). Many of our members compete in these activities at the county, district, and state levels. RCS 4-H also has many members who raise livestock to show at both county and major shows. Our club is full of wonderful young people from our Clover Kids to our high school students who enjoy learning, leadership, and having fun together

Sharp Shooters

The Waller County 4-H Sharp Shooters use shooting as a means to help young people ages 9 to 19 develop life skills such as discipline, responsibility, and leadership. Youth learn marksmanship, the safe and responsible use of firearms, the principles of hunting and archery, and much more. Even though we are a shooting sports club many members participate in livestock, creative living and poultry projects. Our club usually at the extension office.

Clover Kids Club

4-H Clover Kids Club ended the 2015-2016 year with a BANG! The clubs last event was a day camp held in July. The day consisted of 4-H activities from Food and Nutrition; Robotics; textiles and exercise. There were 23 children in attendance, 14 adults and 4 volunteers. In the kitchen we had a 'peeling;' 'cutting,' 'slicing,' 'dicing,' and 'measuring' crew. And no fingers were hurt or cut during this activity – smile. While in groups of two's everyone took turns making robots. Some made dump trucks, some made race cars, and some made large crickets. Everyone went on a bear hunt and got plenty of exercise finding and then, running away from the 'bear.' A good time was had by all and we look forward to a full and productive club year.

Parent volunteers are needed as they are a vital part of each Clover Kid having a personal experience each week. At each meeting we discuss, demonstrate and produce a project connected to the themed 4H activity presentation. It is FREE to register your Clover Kid (aged 5 to 7 as of August 31st). Meetings are held the 3rd Saturday of the month from 11am-12:30pm at WUMC's Celebration Center; 1207 Farr St., Waller. Our first meeting for the New Year will be on SEPTEMBER 17th. Be sure to let us know if you are interested in volunteering or having any questions -281.733.5680, cloverkids.wc@gmail.com. If you are a young adult leader specializing in a 4-H area of interest and would like to present to our club, please call, text or email.

Heathy Snacks: Watermelon Rice Krispies Treats

Ingredients:

4 Tbsp. butter or margarine, divided

3 Tbsp. Jell-o Watermelon Flavor Gelatin

1 pkg. (10 oz) Marshmallows, divided

6 cups Rice Krispies cereal, divided

8 to 10 drops green food coloring

1 Tbsp. Chocolate Morsels

Directions:

Microwave 2 Tbsp. butter in large microwaveable bowl on High until melted. Stir in dry gelatin mix. Microwave 15 sec; mix well. Add 3 cups marshmallows; toss to evenly coat. Microwave 1-1/2 min. or until melted and mixture is well blended. Add 3 cups cereal; mix well.

Press cereal mixture into 6 inch circle in center of 8-inch round pan sprayed with cooking spray.

Microwave 2 Tbsp. butter in large microwaveable bowl on High until melted. Add 3 cups marshmallows; toss to evenly coat. Microwave 1-1/2 min. or until melted and mixture is well blended. Stir in food coloring and add 3 cups cereal; mix well. Press to form rim around cereal mixture in pan.

Press chocolate morsels into cereal mixture in center as shown in photo. Cool completely before cutting into wedges.

Waller County Judging Practices –Updates!

We have several great judging teams you can join, they are for everyone in the county. If you are interested in joining or sitting in on a practice, please contact the coach.

* Horse Judging, Coach is Darren Stokes, darrenstokes@me.com, Practices are 1st Tuesday of each month, 6-7pm, Denny's Hempstead (back meeting room) and 2nd Tuesday of each month, 6-7pm, Fieldstore Community Center, and you can verify practices/meetings on wallerhorse-club.org website.
* Livestock judging, Coach is Kim Carpenter, kcjc@consolidated.net, Practices are every Monday from 6:30 to 8pm located at the Extension Office in Hempstead.
* Meat Judging, Coach is Stacie Villarreal, Stacie.villarreal@ag.tamu.edu, practices are every Thursday from 5:30 to 7pm located at the Extension Office in Hempstead.
* Soil Judging, Coach is Mary Byer, mary_byer@hotmail.com, please check when practices will be.
* Poultry Judging, Coach is Susan Anderson, anderson1985@sbcglobal.net, please check when practices will be.

1 DAY 4-H

This year for our 1 Day 4-H project, we will have 2!

The first will be a school supply drive for students in Louisiana. Many of them have not be able to attend school let alone have been able to go school supply shopping. We are ask that all club help, there will be a contest of which club bring in the most! This drive will end sometime before the actual 1 Day event, and school supplies can be dropped off at the Extension Office during normal business hours. There will be a follow up email with the deadline date. See flier in back for more information!

Our County wide Project will be hosted by the Waller County Ambassadors and Council members. On Saturday, October 8, 2016 we will be at The House of Help in Hempstead helping all day. There will be a "Top 6 Items" drive, these are the items they are in need of; Toilet paper, toothpaste, ensure or generics, canned soup, canned fruit, and canned meals (ravioli or spaghetti O's). You may bring these items the day of or drop them off at the Extension office the week of October 3rd. We are ask that all club help, there will be a contest of which club bring in the most! There will be a follow up email with more details.

If your club is host its own 1 Day 4-H project let us know! We would love to share it with the group before and after! Make sure to take lots of pictures! Those will be helpful for our slide show at the BBQ fundraiser and your record books!

4-H AND FFA DAIRY AND LIVESTOCK JUDGING CONTESTS

Superintendent: Casey Voskamp

Date and Schedule:	**Saturday, September 17, 2016**
7:00 – 8:00 a.m.	Registration
8:00 – 8:15 a.m.	Orientation
8:15 a.m.	Dairy & Livestock Judging Contests Begin
1:00 p.m.	Awards Presentation

Please plan to arrive early enough to allow for adequate time to register. This is especially important for larger 4-H Clubs and FFA Chapters. Official placings and reasons will be given immediately following the Dairy & Livestock Judging Contests.

Registration Fee: $8.00 per contestant.

General Rules:

1. Contestants must be bona fide 4-H or FFA members and certified as such by their coach at registration to be eligible to participate in the contest. Only Texas 4-H and FFA members may enter.

2. Coaches may enter as many individuals and teams as desired. Dairy and Livestock judging teams will consist of three (3) or four (4) members, with the three (3) highest scores tabulated to comprise the team score.

3. The contest will be divided into Junior, Intermediate and Senior Divisions. Contestants in 3rd grade thru 5th grade will be considered Juniors; contestants in 6th thru 8th grade Intermediates; and contestants in 9th thru 12th grade will be considered Seniors.

4. Contestants can enter only one contest (Dairy or Livestock).

5. Contestants will be allowed eight (8) minutes per class.

6. Scores will be on placing and questions only – no reasons. The tie breaking classes will be by standard deviation.

7. All scores will be tabulated using computer scan sheets. **All contestants will be required to:**
   A) Correctly fill in their name, team name, team number, class placings, and question answers. A mistake in the team number column **will result in disqualification.**
   B) Use #2 pencils.
   C) There will be no cheating allowed. Anyone caught cheating will be removed from the contest immediately and disqualified. **No cell phones or electronic devices will be allowed in the contest.**
   D) All ovals must be colored in completely and must be dark.
   E) Any stray marks or mistakes must be erased completely.
   F) DO NOT fold or bend the scan sheet in any way which may prevent the scan sheet from being read by the scanner. Any scan sheet which jams the scanner will result in disqualification.
   G) Any scan sheets that are incomplete, incorrectly filled out, etc. for any reason will be scored a zero (0).
   H) All scores tabulated by the computer are final; no changes will be made.

8. The decision of the contest officials is final.

9. Any unclaimed awards at the conclusion of the awards presentation will be taken to the Washington County Fair office. It will be the responsibility of the winner to make arrangements to claim their award by 11/01/2015 after which any unclaimed items will become property of the Washington County Fair (979-836-4112).

Results will be posted on: www.judgingcard.com

Saturday September 17th, 2016
9:00 a.m. to 3:00 p.m.
Lone Star Convention & Expo Center
9055 Airport Road
Conroe, TX 77303

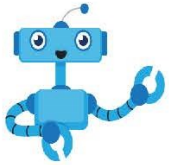
Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.

Intro to Livestock Skill-A-Thon –

This session will introduce volunteers to the new Livestock Skill-a-thon contest. This contest tests knowledge and comprehension of animal science and livestock management practices. It's an opportunity for youth to gain and develop production livestock and life skills in a competitive venue.

Vet Science Project Warm Up – Justin Saenz Learn about the Veterinary Science Project, opportunities for certification and skill-a-thon competitions sure to energize the project. This warm up will be an overview and informational event with tips to help you get started.

Get Ripped with Robotics - Kristy Titzman & Rachel Cooper The field of robotics is expanding at a rapid pace, and Texas 4-H offers new contest venues and workshops. Learn how to get a robotics program started. You will learn how to design, build, and program robots in an exciting hands-on session.



Food Challenge Workout - Sheryl Nolen
This team contest is like a little 'Iron Chef" contest, fast paced and packed with skills. Get a workout to challenge your food preparation skills, creativity and nutrition knowledge.

Educational Sessions

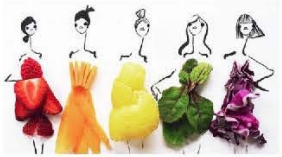
Engaging 4-H Volunteers- Dr. Boleman

Chris Boleman, PhD. will provide a brief overview of recent changes in Texas 4-H that have impacted volunteers. After this, he will discuss creative and fun strategies to help engage new and (hopefully) energize long serving volunteers with the 4-H Program. He also plans to leave some time at the end to ask any question you want. So, come learn so you can LEAD your 4-H Program better!

Pumped Up Fun in 4-H Meetings - Dr. Darlene Locke
Get folks pumped up about coming to a 4-H meeting with tips for engaging officers, planning meetings packed with activities, service projects, speakers! Learn how the 4-H meeting can offer leadership opportunities and engage the volunteers and membership.

Building a 4-H Scholarship: Strength Training - Michelle Mihalek
Start early planning a 4-H Career that adds up to dollars for higher education. Learn the process for building a strong scholarship application. Michelle will share general information on how to plan throughout the high school years and tips to prepare for submission of scholarships.

Panel Discussion
An opportunity to pose questions of experienced 4-H Club Managers and leaders
Moderator- Dr. Chris Boleman.



Get Your Food & Fashion Project Youth Fit for Competition!

Flora Williams

Learning to cook, shop, sew, and design are useful life skills and are a blast to learn. This session will address strategies to prepare youth to be competitive in food show, fashion show, and fashion storyboards beyond the project experiences.

Shape Up Your 4-H Meetings

This session will focus on how to efficiently and effectively run 4-H meetings using Parliamentary Procedure. Smooth running meetings build confidence, foster teamwork and strengthen the overall dynamics of the club meetings and its members.

Charlie Willmann, Hazel Mondin-Committee
Sponsored by: Extension Livestock Committee

Officials will be TAMU Livestock Judging Team Mbrs.
For more information contact the Guadalupe County Extension office at (830) 379-1972 or j-hanselka@tamu.edu

GENERAL RULES

1. Any 4-H or FFA member that resides in the state of Texas is eligible. Contestants must be a bona fide 4-H or FFA member enrolled in an accredited Texas school and be in compliance with UIL regulations.
2. Coaches may enter as many individuals or teams (a team will consist of at least 3 or no more than 4 members) as desired. The top three total scores of a team will make up the team score.
3. The contest will be divided into Junior and Senior divisions following 4-H rules as of January 1, 2000. Fourteen and over as of September 1, 2016 are considered Seniors, and thirteen and under as of September 1, 2016 are considered Juniors.
4. No talking between contestants or anyone else will be allowed. Violation will cause the team and individual to be disqualified.
5. A minimum of six (6) classes will be judged and there will be a minimum of three (3) questions classes. Animals within a class will be designated by numbers: 1, 2, 3, and 4. Scores will be based on placings only. No oral reasons will be required. The questions class will be used to break individual and team ties.
6. Contestants will be allowed ten (10) minutes to judge each class of livestock. Contestants will be notified one (1) minute before the time is up.
7. Results and awards will be presented ASAP after contest in the Covered Arena. Please be present. The results as announced will be final. Awards will be presented to the Junior and Senior Divisions as individuals and as teams. Results will be available for coaches following awards presentation.
