Waller County 4-H

In the Spotlight

Congratulations to Madyson Guidry, John Philip Jones, Miah Lopez, Savannah Malone, and Alyssa Moellers for winning a \$2,500 Waller County 4-H Adult Leader and Parent (ALPA) Scholarship. The David McGregor, Sr. Memorial 4-H Scholarship recipient was John Philip Jones receiving \$2,000, Savannah Malone receiving \$1,500 and Madyson Guidry receiving \$1,000. David McGregor was an Extension Agent in Waller County for agriculture from 1975 until 2003. He greatly enriched the 4-H program locally. Funds are raised during the Annual Waller County 4-H BBQ and Auction to help support these 4-H scholarships and numerous educational activities each year. This year we were lucky to have recognized this year's winners during the 4-H BBQ Fundraiser held on Saturday, May 18th at the Waller County Fairgrounds.

Congratulations to all the recipients and their families for their hard work and dedication!

Check out all the attached fliers!

If you are interested in any of the events, please contact the office & talk to an agent.

JOHN PHILIP JONES

To all Waller County 4-H members and parents,

I would like to congratulate everyone on a very successful 69th Annual 4-H fundraiser. The teamwork and leadership displayed by the parent leaders and youth members was outstanding. You set a great example to all attending on what it is like to be a part of a volunteer organization, working together to excel.

We are still finalizing the overall numbers but we look to be up over \$10,000 in profits from last year. This is not including funds raised by the individual club events. I believe the changes we have made to the format have not only made the event more efficient, but will give us room to grow as well.

With this being said, we would like any input that could aid in the growth of the event. The next Waller County Adult Leaders and Parents (ALPA) meeting is scheduled for Monday, June 3rd at 6pm at the Extension office. This meeting covers ALPA's annual budget. The next scheduled business meeting will be held Monday July 1st at 6pm. Everyone's input is welcome so please make plans to attend these meetings.

Thanks again for everyone's hard work,

Dean Allred

ALPA Chairman

Adult Volunteers

We are always in need of adult volunteers to mentor 4-H youth, lead local clubs, run events or even chaperone events. You will need to be 18 years old — 21 years old to chaperone overnight trips and pass a criminal background check.

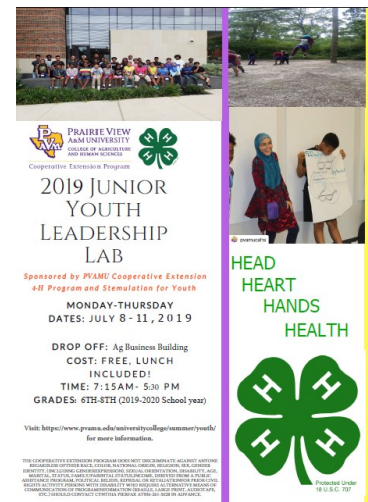

It only costs \$10 and you are set for the whole year (4-H year), and this way if the need arises you are already an approved adult volunteer for that activities, and your assistance is greatly appreciated.

Texas Section Society for Range Management 65th *Youth Range Workshop*

Join participants from across Texas June 23 - 28, 2019 at the Texas Tech University Campus in Junction, TX for the nation's longest running natural resources workshop for youth.

At the TSSRM Youth Range Workshop, participants gain useful knowledge and skills in the areas of ecology, inventory practices, management and evaluation of resources. Experts from across the state are recruited to teach the participants in fields ranging from watershed management, to prescribed burning, to soil health, and many areas in between.

Additionally, youth are trained in the areas of public speaking, advocacy, and leadership, so that they are armed with the knowledge they need to effectively educate others in the area of rangeland management, regardless of the career path they ultimately choose. The workshop is open to youth who are 14-18 years old, and have completed the 8th grade, but have not graduated from high school.

The workshop is \$400, and includes all meals, lodging, and educational materials needed during the week. Participants are encouraged to seek out sponsorships from various sources, including soil and water conservation districts or local ranches, and are then asked to go back after the workshop to present what they learned to those sponsors.

For questions regarding the workshop, please contact:

Jenny Pluhar - (806) 679-8729
