4-H Happenings.....

Photography Spot light Monthly Photography Contest.

Each month, we will spotlight a photography category and accept contest entries at the Extension Office. (At the end of the month, the winner will receive a prize!) Each participant may enter one picture and it must pertain to the category. We will also be sharing a link to a helpful video that will give you photography tips and tricks: <https://bit.ly/2lPrFVE> Entries can be emailed to wheeler-tx@ag.tamu.edu or dropped off at the office. Remember to save your photos so that you can enter them in future photography contests! For more information on the 4-H Photography contest, visit: <https://texas4-h.tamu.edu/projects/photography-video/>

January Category: Animal/Wildlife- Category focuses on animals not tamed or domesticated and commonly found in the wilderness or the bodies of water throughout the country and world. Photos can be of wildlife in nature, zoos, and/or petting zoos.

Examples: Birds, deer, elephants, snakes, whales, etc

Attention 4-H Livestock Exhibitors and Parents

State Validation personnel are going across the State and making spot checks in all species to make sure validated animals are in the County at their proper location and that all validation tags and papers match the animals under the designated exhibitors name. It is ok to go out of county to have hooves or hair trimmed, but animals are not to be out of exhibitors care for more than 48 hours as stated by State Validation guidelines. If you plan on leaving the county for animals to be trimmed, please let me and/or the validation chairman know prior to leaving the county. Your cooperation is appreciated.
