

Last Chance CEU Information

If you are in need of CEUs for your Pesticide Applicator License there are a few options available for you.

You can always contact the Extension Office if you need more assistance.

AgriLife Learn

— <https://agrilifelearn.tamu.edu/>

- * Weed & Pest Control

- * Look for the videos with “CEU” in the top corner. These will most likely have a fee associated with them and you will need to register online.

Texas Department of Agriculture

— Pesticide CEU Course Search

- <https://ceusearch.texasagriculture.gov/>

- * Fill in the information needed to find locations/courses offering CEUs. Make sure you are looking for courses “Ag” related.

County Extension Office

- *Contact your local County Extension Agent to see if they, or their office staff, are available to show you Last Chance Videos online.
