**Pasture Management Workshop**

The annual Wise County Pasture Management Workshop will be held Wednesday, March 7, 2018 will be at the Bridgeport Community Center, 1102 Lawdwin Ave., Bridgeport, Texas. Registration will start at 10:30 a.m. and the program will start at 11:00 a.m. Lunch will be sponsored by Protocol Naturals of Bridgeport, Texas.

This year's agenda should prove to be very beneficial for all producers with an interest of improving pastures and forage management. James Jackson, Extension Program Specialist for Range Management, of Stephenville, Texas will speak on a couple of topics. First of which, he will speak on "Improved Pasture Weed Management, Product Update and Economics of Weed Management." During lunch we will receive an update on Protocol Natural product lines and how they can improve our beef cattle production efficiently and economically. After lunch Mr. Jackson will cover Range and Pasture Application Technology using ATV sprayers. This demonstration will show how to calibrate your sprayers and nozzle size on how it affects droplet size and drift.

We will offer 1 General and 1 Drift Minimization CEU's for TDA Pesticide Applicator License holders. The program is sponsored by the Wise County Livestock and Forage Committee. The registration fee is \$10 per person (\$15 late registration at the door). Please call Texas A&M AgriLife Extension Service, Wise County at 940-627-3341 to reserve your spot or if you have any questions.
