

Class #2 (Feb 9th)  
Outdoor Equipment

Jason is going hiking. He needs a tent. He wants a cabin tent.

He is going to be carrying the tent with him so it needs to be light weight. He is also bringing two friends with him. The weather is supposed to be wet . He has a budget of \$150,he will use the rest for hiking gear. Help Jason chose the right tent.

## The Timber Creek® Bastrop Family Tunnel Tent

\$49.99

1) Select Color: Tan

The Timber Creek® Bastrop Family Tunnel Tent features a 5.2' peak height and sleeps up to 5 people. Polyester taffeta walls and a polyethylene floor offer durability, while the shock-corded fiberglass poles provide stability and easy setup. A polyester mesh roof extends to the back of the tent for ventilation, and a seam-sealed rainfly provides protection against wet weather. The tent is designed with 2 doors and 4 mesh windows for additional ventilation. Accessory pockets offer storage, and a pocket socket provides access for a power cord.

### Features and Benefits

- Sleeps up to 5 people with a 5.2' peak height
- 2 doors and 4 mesh windows
- Polyester taffeta walls and a polyethylene floor for durability
- Seam-sealed rainfly provides extra protection against wet weather
- Polyester mesh roof extends to the back of the tent for optimal ventilation
- Shock-corded fiberglass poles with color-coded pole sleeves and pin-and-ring attachments for easy setup
- Pocket socket offers power cord access
- Accessory pockets for storage
